

OrbIT: Obrolan IT Seputar Mechanical Keyboard

<http://youtube.com/IndonesiaBelajarKomputer>

Apa itu Mechanical Keyboard?

Menggunakan switch mekanik dan bukannya rubber dome (membran karet)

Lebih awet dan tahan lama

Kustomisasi: jenis switch, variasi keycaps, ukuran keyboard

Diminati oleh gamers, jurnalis, sys admins, software developers

Types of Switch

Linear

Tactile

Clicky

Switch Manufacturers

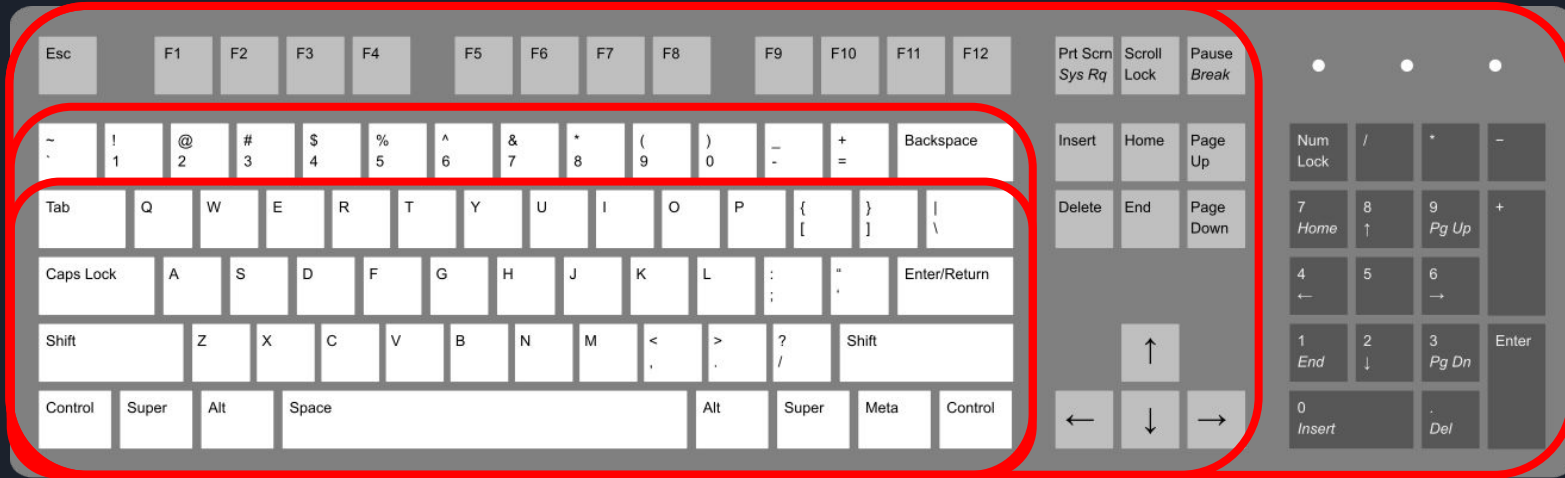

Gateron

Keyboard Form Factor

130%

60%

80%

100%

ANSI Keyboard Form Factor

Keycaps Profiles & Materials

Materials:

- ABS
- PBT
- Doubleshot

Additional Features

RGB

Bluetooth

Hotswappable
Board

Custom Case
